# There is so much to see experience and enjoy in Bolzano...Welcome!

Tradition, innovation, sustainability: **Bolzano will amaze you!**

Bolzano is a place where the traditions of the past intertwine with the challenges of the future. Innovation and sustainability are the keywords of the new development of a city that is able to look to the future while maintaining a strong connection to its roots and values.

Why choose Bolzano as your next holiday destination? The answer is simple: to be immersed in a unique cultural mix. Here north and south, **Mediterranean** and **Alpine meet**, creating an irresistible and unrepeatable combination.

Be enchanted by the **different architectural styles** that are colourful and soft and, as soon as you turn a corner, become imposing and square. Stroll along the arcades, the commercial heart of the historic centre over 300 metres long, listening to the mix of languages that characterise our city and immerse yourself in the sounds of nature as you walk along the many promenades that climb the sunny slopes. Get on your bike and pedal along the more than 50 kilometres of **cycle paths** through Bolzano. Discover the **green and innovative soul of the city**. Take one of the cable cars from the centre to reach the surroundings of the South Tyrolean capital in just a few minutes, first of all the Colle, a true oasis of peace, and the Renon plateau.

Taste the perfect **combination of Tyrolean cuisine and Mediterranean flavours** in the many restaurants wafting irresistible aromas through the city streets. Pair traditional dishes with wines produced in wineries scattered throughout the basin. Marvel at the sparkle of traditional and modern shop windows. There are plenty of ideas for taking home a unique souvenir. Don't miss the numerous events that enliven the gateway city to the Dolomites in every season.

Follow in the footsteps of history thanks to the extensive **cultural offer**. With parks, museums, castles and many events, there is fun for families too.

Be inspired, **Bolzano** is this and much more!
